## *Day by Day*

*Have you ever stopped to  
think what tomorrow will  
bring? Have you ever took  
advantage of what life is  
offering?*

*Day by Day there are so  
many things to share,  
being a friend just let-  
ting someone know you care.  
I don't think people see  
what God gave us from above;  
the trees, the birds, a  
song in our hearts, but  
most important Love.*

*He wanted us to live to-  
gether and share each  
others love he'd given,  
but day by day it seems to  
me we have to be forgiven.  
So friend lets think about  
the things that we can share  
forever, the trees, the birds,  
a song in our heart, and  
love; Day by Day lets do  
it together.*

Spirit of the J.V.

Our Cheerleaders for 75-76 were one of the best squads we have ever had. They had lots of spirit for our boys and our fans. They worked hard to put our school on top for the best spirit. They put on skits and routines at most all of the pep assemblies. They did an excellent job and for that we thank them. Varsity cheerleaders are Debi Cessnun, Tinker McDoanld and LuAnn McDonald. Junior Varsity is Zann Thomas, Ruth Schriver, Lisa Tompkins and Kaye Kessi.

Overall we had a good season this year. year. Everybody got out there and husseled. Because of this and working hard we won a lot of close games.

Dig, set, spike. . .these words were heard often by the 16 girls who turned out for volleyball this year. For the second year the girls worked on playing control volleyball as opposed to power ball. The season started early with girls beginning practice a few days prior to school opening. Enthusiasm was high with the girls even practicing on Saturdays a couple of times. The girls participated in several non-league games prior to the beginning of the league season. The league season ended with a 3 win 3 loss tally. The Eagles triumphed over Alsea, OSSD and Triangle Lake; While losing to Detroit, Valsetz and Falls City. Although the record itself is not outstanding, the girls played good control ball. Their technique and execution was good through out the season, However, their lack of consistency was the telling factor.

The Varsity squad will be losing three Seniors, Cassie Downing, Peggy Howard and Susie Parks. Cassie and Peggy were chosen as All Casco League players on the 1975 Volleyball team. Eddyville was awarded a beautiful plaque for runner-up in the Casco League which is displayed in the trophy case. It is hoped that next year the girls can bring home the 1st place trophy.

## Junior High Volleyball 1975

The Eddyville Junior High volleyball teams commenced their season with 11 eager young players and a really desire to win. The girls practiced hard on skills and team work and first place with Newport in the win-loss category and the 8th graders were undefeated for the 1975 season.

The teams we played were much larger in number, but not as strong in desire or the willingness to play together which was the key to Eddyville's victories. Strong server often won the points for both 7th and 8th grade teams throughout the season, but good team work and heads-up volleyball were evident in all the games.

Members of the 7th grade team were: Kim Mitchell, Laurie Rairden, Terry France, and Kelli Gormley from the 6th grade plus Julie Wilson, Sonjya Ghormley, Violet Brown and Becky Schriver, 7th graders.

Members of the 8th grade team were Juanita Tool, Yvonne Denué, Wendy Molsberry, Julie Wilson, Sonjya Gormley, Violet Brown and Becky Schriver.

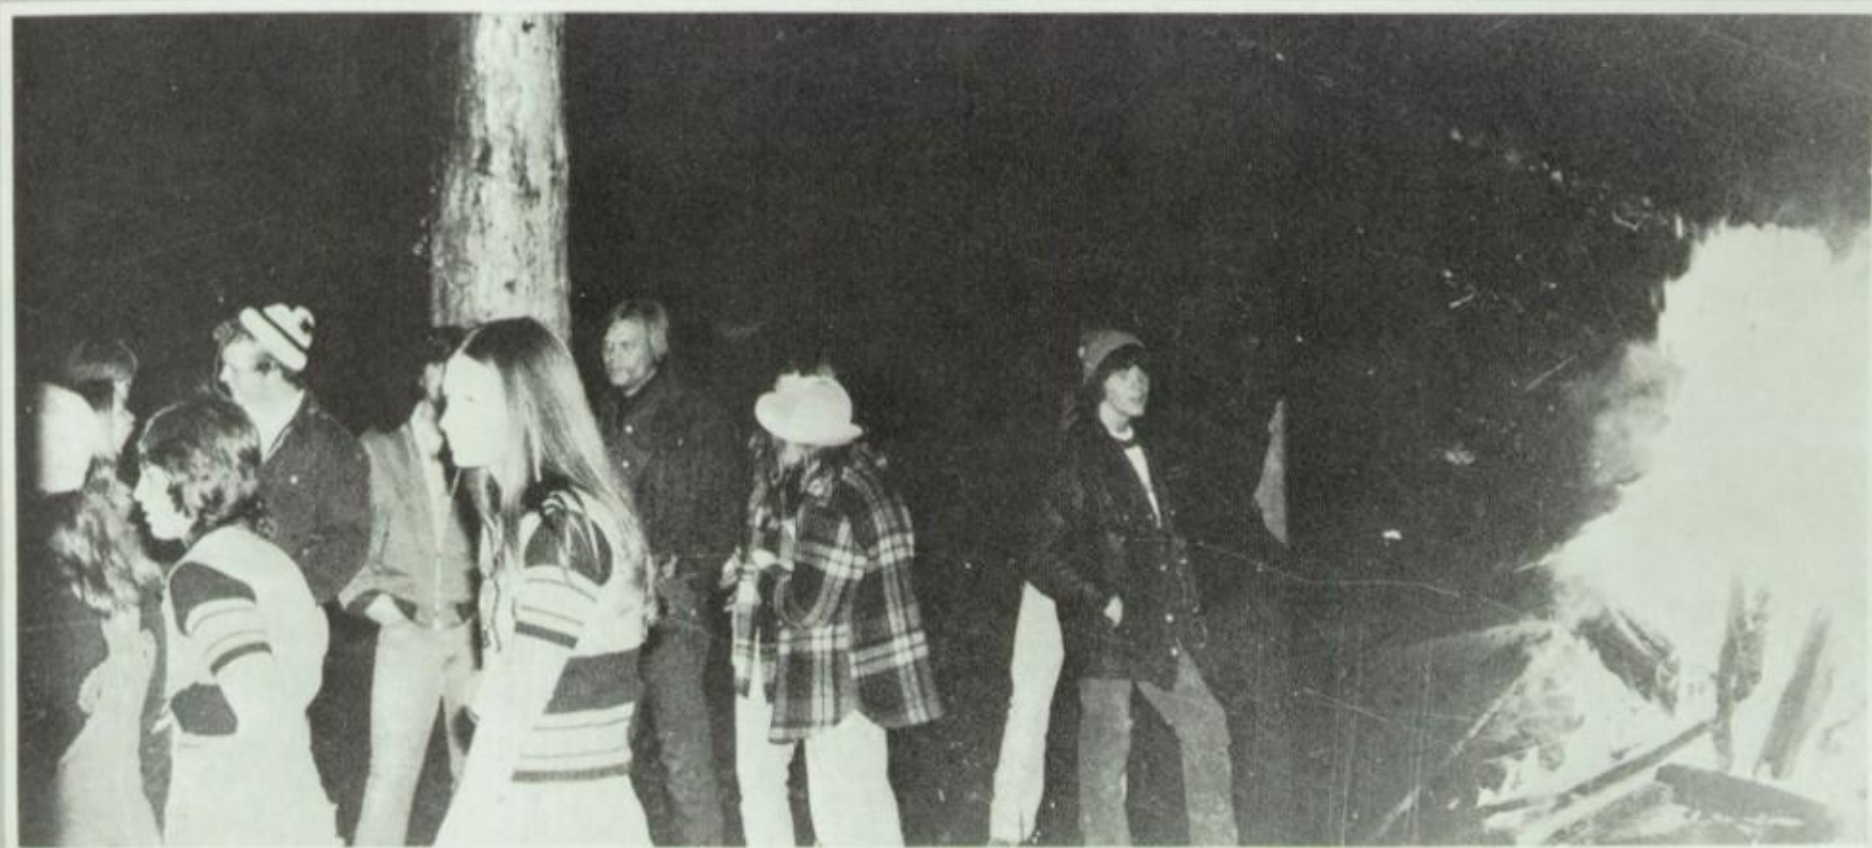

Next years team will have much experience and a winning tradition behind them.

Winning is always fun, but there is more to athletics than winning. The desire to win and to do your best is more important than the actual winning. At the start of the basketball season I wrote in the paper that the Eddyville girls didn't know how to lose. Sure we lost a few games according to the score board, but a game is won or lost within a person; if you have given your best, and haven't given up mentally then YOU ARE A WINNER. I believe the Newport Frosh game was characteristic of this attitude; down 4-15 at half, playing the last 12 minutes with only four girls, we pulled to within one point, 27-28 before losing. No way did those girls lose that game. I hope this attitude isn't left on the basketball court, but is carried with these girls wherever they go, whatever they do; then and only then can I feel that I have been a successful coach.

Coach Kinney

# BOYS BASKETBALL

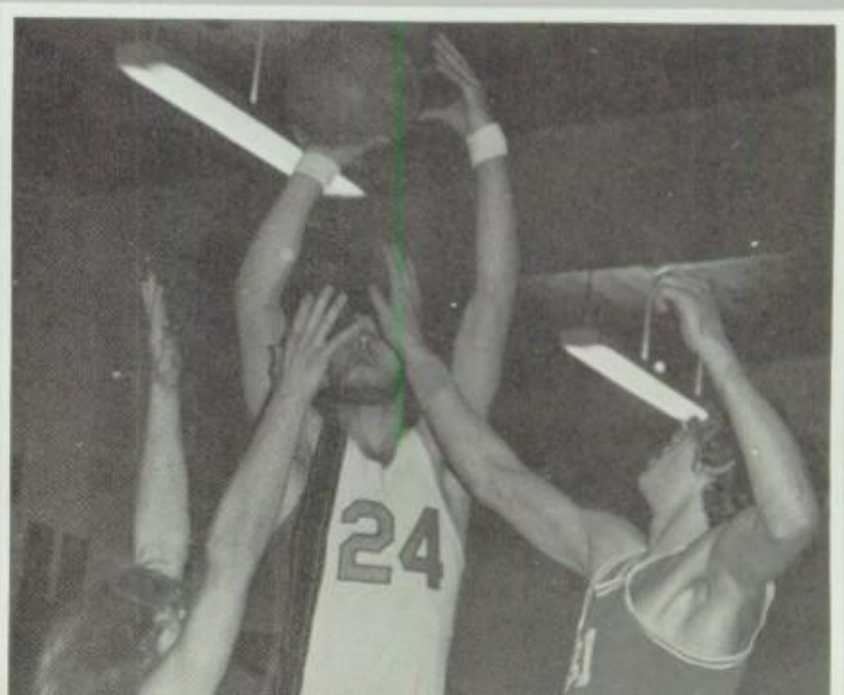

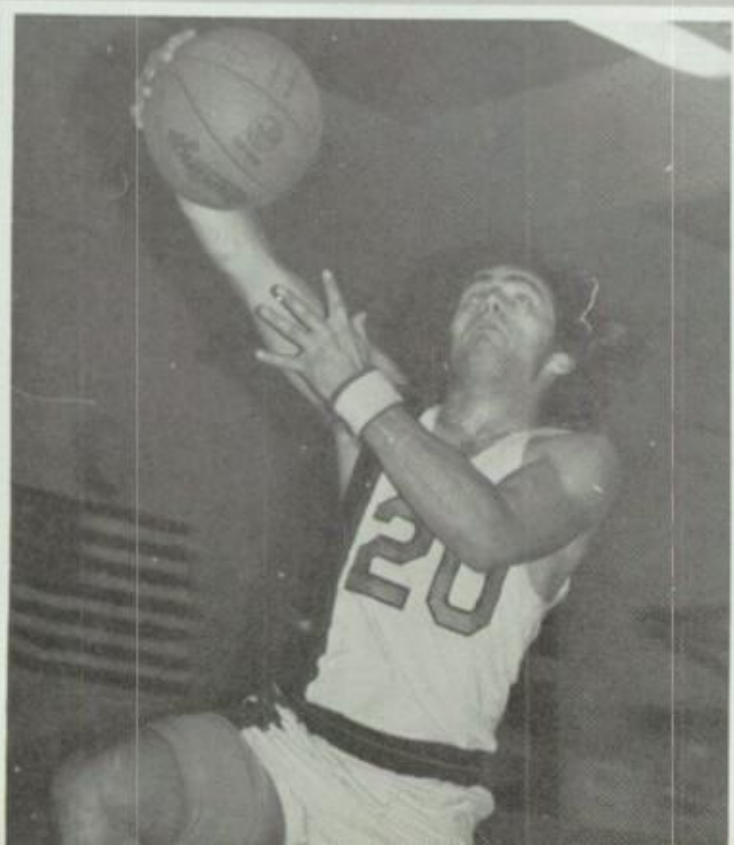

The varsity basketball team had a new coach this year, Al Yoder. The team had their ups and downs this year, but they were a good team all in all. The team worked hard in practice and in games. It was a little hard for every one to adjust to a new coach and new plays, and it was hard for the coach to adjust to the kids. All we can say is we were behind you all the way boys!
